## **Please make all parade participants aware of the following:**

- **Parade Line Up BEGINS at 5:00, PARADE WILL START AT 6:30** Westover Parking lot. Please enter the parking lot from Coulter Street, Elementary lines up on the right side of the north bus lane, Greenways lines up on left side of north bus lane, Westover lines up in west bus lane and high school is in the west parking lot (see map below). There will be volunteers directing you at the Coulter street entry.
- Keep the area around your float in the parking lot cleaned up prior to the parade. Please bring trash bags for parking lot clean up.
- Kids must stay on the float during the parade. They may not jump on and off a moving float.
- Candy should be TOSSED-not thrown. Do not throw candy at cars.
- Do not allow candy to be thrown as handfuls
- Remind kids to save candy for the end of the parade and not to toss it all at the beginning! Candy is literally lying in the street and thrown away due to the **massive** amount thrown at the beginning of the parade!

***Anyone not observing these rules will be asked to leave the parade immediately.***

## **Parking**

- Please refer to attached map for float parking areas. Elementary, Greenways and Westover floats should park on the RIGHT side of their assigned lanes.
- **Personal cars cannot be parked in any designated float area. Please use the dirt field south of Westover to park. If you need to get any items to your child on a float you MUST walk it to them, no driving into the designated float areas.**
- No parking on Paragon or Pinnacle around Westover. This will allow for smoother exit of parade floats from the parking lots.
